# WHO ARE MY 8?

Your front-yard is a group of people in your circle. They are people geographically close to you. Using this “hashtag card”—you are in center, and the other 8 surrounding sections can be filled in with 8 neighbors you want to commit to pray for and love.

Initially, you may not know their names, but you can begin by writing down what you do know of them. As you commit to pray for neighbors, you’re also committing to get to know them.

# HOW TO PRAY

Pray for your neighbors by name.  
(If you don’t know their name(s) — learn them!)

Pray for them as you would pray for yourself!

Pray for their families, friendships, and health. Pray for peace instead of anxiety, joy instead of discouragement, and a sense of being loved by God. Pray for jobs, purpose, wisdom in decisions...

Pray for divine interruptions, inviting the Spirit to give opportunity for conversation.

Pray Scripture, using the Word to guide your requests. Try using Ephesians 3:14-21.
